REACH FOR HIGHER LEVELS ON THE DREAM TEAM

By elevating your membership to the next level, you have the chance to amplify your impact and play an even more significant role in driving positive change for women and girls in our community.

Here are a few compelling reasons why advancing your membership is a powerful step forward:

1. Increased Impact

With a higher level of membership, your financial contribution will have a greater impact on nonprofits supporting women & girls. Your contribution directly supports more women and girls in accessing essential resources, education, and opportunities to thrive.

2. Recognition and Appreciation

We value your continued support and want to recognize your dedication in a meaningful way. As you advance through levels of the Dream Team, you will receive special acknowledgement (if you choose to be recognized) at Power of the Purse and receive a charm for each level, showcasing your commitment to advancing equity.

3. Inspiration and Motivation

Being part of an elevated membership level can inspire others to follow suit. Your leadership in advancing your support can motivate fellow supporters to do the same, creating a ripple effect of positive change within our community.

Your decision to increase your level of membership is not just a financial commitment; it's a statement of your values and priorities. Together, we can continue to break down barriers, challenge stereotypes, and create a more equitable world for women and girls everywhere.

So how do you advance to the next level of the Dream Team?

It's simple! Visit www.tfec.org/dreamteam, select "I would like to add a recurring payment to an existing pledge", and complete the form fields! Please note that you must increase your pledge by \$1,500, \$2,500, or \$5,000.

If you have any questions about how to advance to the next level or even join the Dream Team, you can reach us at philanthropy@tfec.org or 717.236.5040.

HELP US SUPPORT LOCAL WOMEN & GIRLS

While the Fund for Women & Girls was established in 2000, The Dream Team was established in 2011 with a goal and purpose of encouraging individuals to make a gift of at least \$1,000 to create a permanent \$1 million endowment. From the endowment, annual grants are made available to local nonprofit organizations that provide services to women and girls in the South Central PA counties of Cumberland, Dauphin, Franklin, Lebanon, Perry, and the Dillsburg Area

FWG grants more than \$50,000 each year in grants to help women and girls meet their needs so they can ultimately live their personal and professional dreams. It's in making these dreams a reality through sustained or incremental giving that you become a member of the Dream Team, which connects you to an influential network of fellow donors and community advocates united in the vision of a community where women and girls thrive.
