Jim Collins Collection

Great by Choice: Uncertainty, Chaos, and Luck--Why Some Thrive Despite Them All
Collins, Jim; Hansen, Morten T
New York: HarperBusiness, c2011

Collins returns with another groundbreaking work, this time to ask, Why do some companies thrive in uncertainty, even chaos, and others do not? Based on nine years of research, buttressed by rigorous analysis, and infused with engaging stories, Collins and his colleague Hansen enumerate the principles for building a truly great enterprise in unpredictable, tumultuous and fast-moving times.

How the Mighty Fall: And Why Some Companies Never Give in
Collins, Jim
New York: HarperCollins, c2009

Good to Great and Built to Last identified the distinguishing characteristics shared by companies that not only achieved greatness, but also sustained it. In How The Mighty Fall, Jim Collins considers the “dark side,” offering a perspective on how a fall from greatness can happen - to even the seemingly invincible. Adapting the very methodology that established Good to Great as a landmark, How the Mighty Fall shows that every institution, no matter how great, is vulnerable to decline, but recovery is possible. In some cases, companies emerge stronger - even after having crashed into the depths of a near-catastrophic fall.

Good to Great and the Social Sectors: A Monograph to Accompany Good to Great
Collins, Jim
New York: HarperCollins, c2005

Building upon the concepts introduced in “Good to Great,” Jim Collins answers the most commonly asked questions raised by his readers in the social sectors. Using information gathered from interviews with over 100 social sector leaders, Jim Collins shows that his “Level 5 Leader” and other good-to-great principles can help social sector organizations make the leap to greatness.

Built to Last: Successful Habits of Visionary Companies
Collins, Jim; Porras, Jerry I
New York: HarperBusiness, c2004

Identifying 18 “visionary” companies, the authors set out to determine what's special about them and to provide a blueprint for prosperity. Includes hundreds of examples showing what makes the truly exceptional firms different from the everyday ones.

Good to Great: Why Some Companies Make the Leap... and Others Don't
Collins, Jim
New York: HarperBusiness, c2001

The coauthor of the bestselling “Built to Last” now presents a blueprint for transforming good companies into great ones.
